When you launch, be sure to stay along the shoreline. Beware of the sandbar in front of the dock. Cross the 1st bridge using the arch under the green street sign.

Follow the shoreline to get to the start line. If you launch early and want to practice, you can go through the second bridge and practice on the other side of the bridge. Beware of other boats. Be sure to not go too far.

For a great visual of the course, watch this [video](#) created by CRC, our sister club:
